

## **Runwal Elegante Awarded as the 'Most Admired Upcoming Project of the Year'**

**By DNA Real Estate & Infrastructure Roundtable and Awards 2016**

**Mumbai, December 2, 2016:** Runwal Elegante – one of Runwal Group's luxury projects in Lokhandwala Andheri (W), Mumbai has been awarded as the '**Most Admired Upcoming Project of the Year**' by DNA Real Estate & Infrastructure Roundtable and Awards at an event recently held in Mumbai.

**Commenting on the event Mr Sandeep Runwal - Director, Runwal Group, said,** *"We are extremely pleased to be awarded as the 'most admired upcoming project' for Runwal Elegante which is one of our most iconic luxury developments. Poised to be a landmark in the city we have meticulously developed the project with very levels of craftsmanship in the terms of design, quality, uniqueness and space planning. We believe that luxury living is much beyond the apartment alone; instead it is about the overall experience you get living there. Similarly, apart from its king sized apartments Runwal Elegante offers you one of the best locations, one of its kind sky bridge, best concierge services and world class lifestyle amenities."*

Positioned around Luxury living, Runwal Elegante is one of its kind developments at in Mumbai that offers the choicest lifestyle amenities to provide a 'kingly living experience' with expansive 2, 3, 4 and 5 BHK residences. A feature that sets it apart is the 'proposed sky bridge' that would connect all the three towers which offers spectacular views of the Arabian Sea and the glittering cityscape of Lokhandwala.

The DNA Real Estate & Infrastructure Roundtable & Awards celebrates the highest levels of achievement by companies and individuals operating in all sectors of the property and real estate as well as infrastructure industry.

### **About The Runwal Group**

Established in 1978, the Runwal Group has become one of the leading names in Mumbai in the real estate segment. The company is one of the fastest growing entities in the realty sector, offering residences for all economic strata, as well as luxurious homes at affordable prices, excellent customer care levels and the highest standards for the welfare of its staff, society as well as for the environment. The Group has developed some of the most prestigious and lifestyle enhancing residential and commercial properties and has a track record of 65 completed projects.
